MAKING A LOCAL IMPACT

NorthCross Shopping Center and the Puzzle Run have been able to donate over \$14,000 for the Autism Society of North Carolina to date. This year we aim to be able to donate even more!

For over 45 years, the Autism Society of North Carolina (ASNC) has worked to address areas of need and expand services for the autism community in North Carolina. ASNC is a statewide organization, supporting North Carolinians affected by autism. Every dollar that we raise stays within North Carolina, helping people who live and work in our local communities.
